

2021-2022 ANNUAL FUND

# ST. LUKE SCHOOL

**Giving Promise.  
Growing Possibilities.**

## Dear St. Luke Family,

At St. Luke School, we **operate on tuition and grow through giving**. The generosity of our St. Luke Families, faculty, leadership and staff allows our children to enjoy new experiences; engage with the latest technology; and thrive in a safe school environment.

The 2021 St. Luke School Annual Fund Campaign: **Giving Promise. Growing Possibilities** officially begins October 1st and we need your help to reach our financial goal of \$250,000 and our participation goal of 100% family participation. Student experience enhancements cannot be funded by tuition alone. Every Annual Fund gift allows us to build upon the extraordinary academic, fine arts, STEAM and athletic programs offered by St. Luke School. Your gift provides essential material support for our outstanding faculty and helps us to keep our tuition as low and accessible as possible.

**Every gift, no matter how big or small, is vital – your generosity makes a difference.**

Over the **past five years**, the Annual Fund has generated **\$1,217,840 in gifts** to grow and improve the St. Luke School experience. We hope you will take a moment to review this flyer for a snapshot of the numbers along with a list of the latest projects made possible by generous gifts to

the St. Luke Annual Fund. Your financial commitment and support of St. Luke School is **an investment that will reap eternal rewards** and help us continue exceptional traditions and experiences.

The following list represents just some of the priorities for school and student experience enhancements that your gift can make possible.

### 2021-2022 Annual Fund Priorities

- Middle School upgrades including exterior repair/painting and roof
- Jr. K. entrance/exit improvements at the ELC
- Multi-purpose Outdoor Classroom
- Banner signage throughout campus
- Green space storage and enhancements
- Interior painting of 318

### Why We Give

"Our family gives to the Annual Fund because we fully support the mission of preparing minds and living for Christ. We are wholly invested in the future of our children, and one path to their success is the investment we make in their education. We appreciate the expanded opportunities our children are afforded; and it's our great joy to see how they thrive at a school where the teachers and leaders go beyond the classroom to care for them!"

### Why We Give

"We give to the Annual Fund because it is our way of giving back to the school that gives so much to our family! The expanded opportunities that St. Luke offers are made possible through the Annual Fund. How great it is to see our school build on such extraordinary programs – fine arts, technology and sports! Seeing the visual improvements in our school and knowing these are all funded by the annual fund is exciting!"
