

# ST. LUKE SCHOOL LIONS PRIDE ANNUAL FUND

## Dear St. Luke Family,

At St. Luke School, we operate on tuition and grow through giving. The generosity of our St. Luke families, faculty, leadership and staff allows our children to **enjoy new experiences, engage with the latest technology, and thrive in a safe school environment.** The 2022 St. Luke School Lions Pride Annual Fund Campaign officially begins October 3rd and we need your help to reach our goals! We know that the cost of our children's educational experience goes beyond tuition. Every Annual Fund gift allows us to build upon the extraordinary academic, fine arts, STEAM and athletic programs offered by St. Luke School. Your gift provides essential material support for our outstanding faculty and helps us to keep our tuition as low and accessible as possible.

We hope you will take a moment to review the list of the latest projects made possible by generous gifts to the St. Luke Lions Pride Annual Fund. Your financial commitment and support of St. Luke School is **an investment that will reap eternal rewards and help us continue exceptional traditions.**

The following list represents some of the priorities for school and student experience enhancements that your gift can make possible.

### 2022-2023 Annual Fund Priorities

- Additional Improvements to the greenspace
- Incorporating outdoor storage around campus
- Improvements to the gym/exercise room
- Addition of outdoor spirit banners

We are proud of our school and believe when parents and friends of the school come together and show support by donating money to the Annual Fund, we are reciprocating the dedication of the school's faculty and administration — individuals who care so much for our children!

Please join us and pledge or donate today. **Donors have until May 15, 2023, to fulfill pledges.** Visit [stlukelions.com](http://stlukelions.com) or call the school at **706-256-1301** for questions or more information.

**Let's show pride in St. Luke School! Let's take pride in the possibilities!**

Sincerely,

### Why We Give

"We give to the Annual Fund because it is our way of giving back to the school that gives so much to our family! The expanded opportunities that St. Luke offers are made possible through the Annual Fund. How great it is to see our school build on such extraordinary programs – fine arts, technology and sports! Seeing this in our school and knowing these are all funded by the annual fund is rewarding! We are proud of our school and know that giving to the Lions Pride Annual Fund creates even more possibilities for our boys!"
